(Authority: 20 U.S.C. 1412(a)(1))

### § 300.108 Physical education.

The State must ensure that public agencies in the State comply with the following:

(a) *General*. Physical education services, specially designed if necessary, must be made available to every child with a disability receiving FAPE, unless the public agency enrolls children without disabilities and does not provide physical education to children without disabilities in the same grades.

(b) *Regular physical education*. Each child with a disability must be afforded the opportunity to participate in the regular physical education program available to nondisabled children unless—

(1) The child is enrolled full time in a separate facility; or

(2) The child needs specially designed physical education, as prescribed in the child's IEP.

(c) *Special physical education*. If specially designed physical education is prescribed in a child's IEP, the public agency responsible for the education of that child must provide the services directly or make arrangements for those services to be provided through other public or private programs.

(d) *Education in separate facilities*. The public agency responsible for the education of a child with a disability who is enrolled in a separate facility must ensure that the child receives appropriate physical education services in compliance with this section.

to all children with disabilities, aged birth through 21, and a detailed timetable for accomplishing that goal.

(Approved by the Office of Management and Budget under control number 1820-0030)

(Authority: 20 U.S.C. 1412(a)(2))

### § 300.110 Program options.

The State must ensure that each public agency takes steps to ensure that its children with disabilities have available to them the variety of educational programs and services available to nondisabled children in the area served by the agency, including art, music, industrial arts, consumer and homemaking education, and vocational education.

(Authority: 20 U.S.C. 1412(a)(2), 1413(a)(1))

### § 300.111 Child find.

(a) *General*. (1) The State must have in effect policies and procedures to ensure that—

(i) All children with disabilities residing in the State, including children with disabilities who are homeless children or are wards of the State, and children with disabilities attending private schools, regardless of the severity of their disability, and who are in need of special education and related services, are identified, located, and evaluated; and

(ii) A practical method is developed and implemented to determine which children are currently receiving needed special education and related services.

(b) *Use of term developmental delay*. The following provisions apply with respect to implementing the child find requirements of this section:

(1) A State that adopts a definition of *developmental delay* under § 300.8(b) determines whether the term applies to children aged three through nine, or to a subset of that age range (e.g., ages three through five).

(2) A State may not require an LEA to adopt and use the term *developmental delay* for any children within its jurisdiction.

(3) If an LEA uses the term *developmental delay* for children described in § 300.8(b), the LEA must conform to both the State's definition of that term

and to the age range that has been adopted by the State.

(4) If a State does not adopt the term *developmental delay*, an LEA may not independently use that term as a basis for establishing a child's eligibility under this part.

(c) *Other children in child find.* Child find also must include—

(1) Children who are suspected of being a child with a disability under § 300.8 and in need of special education, even though they are advancing from grade to grade; and

(2) Highly mobile children, including migrant children.

(d) *Construction.* Nothing in the Act requires that children be classified by their disability so long as each child who has a disability that is listed in § 300.8 and who, by reason of that disability, needs special education and related services is regarded as a child with a disability under Part B of the Act.

(Authority: 20 U.S.C. 1412(a)(4))

**§ 300.113 Routine checking of hearing aids and external components of surgically implanted medical devices.**

(a) *Hearing aids.* Each public agency must ensure that hearing aids worn in school by children with hearing impairments, including deafness, are functioning properly.

(b) *External components of surgically implanted medical devices.* (1) Subject to paragraph (b)(2) of this section, each public agency must ensure that the external components of surgically implanted medical devices are functioning properly.

(2) For a child with a surgically implanted medical device who is receiving special education and related services under this part, a public agency is not responsible for the post-surgical maintenance, programming, or replacement of the medical device that has been surgically implanted (or of an external component of the surgically implanted medical device).

(Approved by the Office of Management and Budget under control number 1820-0030)

(Authority: 20 U.S.C. 1401(1), 1401(26)(B))

**LEAST RESTRICTIVE ENVIRONMENT (LRE)**

**§ 300.114 LRE requirements.**

(a) *General.* (1) Except as provided in § 300.324(d)(2) (regarding children with disabilities in adult prisons), the State must have in effect policies and procedures to ensure that public agencies in the State meet the LRE requirements of this section and §§ 300.115 through 300.120.

(2) Each public agency must ensure that—

(i) To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are non-disabled; and

(ii) Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

(b) *Additional requirement—State funding mechanism—*(1) *General.* (i) A State funding mechanism must not result in placements that violate the requirements of paragraph (a) of this section; and

(ii) A State must not use a funding mechanism by which the State distributes funds on the basis of the type of setting in which a child is served that will result in the failure to provide a child with a disability FAPE according to the unique needs of the child, as described in the child's IEP.

(2) *Assurance.* If the State does not have policies and procedures to ensure
